It's a coastal escape with a difference on the Eyre Peninsula. Here you can feast your eyes on white sandy beaches and coastal landscapes as you feast yourself on fresh seafood. Everything from famed Coffin Bay oysters to shellfish, tuna and prawns are on the menu.

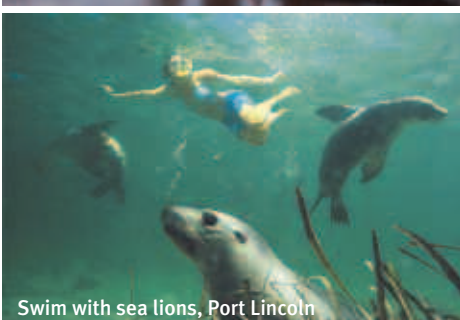

It's a seafood lover's heaven. Tuck into oysters, mussels, rock lobster, whiting and abalone to see how the area got its reputation as the country's seafood capital. Follow the Seafood & Aquaculture Trail, a self drive route extending around the peninsula that showcases the best in the area. For true seafood devotees, your perfect travel companion is the Seafood and Beyond Rewards Card that gives you discounts and reward points on purchases. It's like a ticket for your tastebuds.

Choosing a base to explore this brilliant blend of varied landscapes, wildlife, fishing and seafood – it has to be Port Lincoln. This bustling fishing hub boasts a protected harbour three times the size of Sydney Harbour, with a backdrop of green, wooded hills. From here you can take off fishing or sailing on Boston Bay, explore the sheltered or surf beaches and tour the seafood and aquaculture industries.

For the truly adventurous, the waters south of Port Lincoln are the place for the ultimate wildlife encounter; cage diving with Great White sharks. In fact, wildlife adventures are all around. Swim with tuna or visit the sea lions at Baird Bay. Spot birdlife at Coffin Bay. Then when it's time to get back on the road, let the way lead you out to Ceduna and along the Nullarbor Plain, one of Australia's great road journeys.
