

Seal Bay Conservation Park

Beautiful beaches to play on, great food and wine, some equally spectacular scenery and wildlife encounters around every corner, they're all here on Kangaroo Island. Accessible by ferry from Cape Jervis or by plane from Adelaide, visit for a day or stay for a while.

It's one of Australia's great natural wonders and with more than a third of it conservation or national park, Kangaroo Island is often known as the 'zoo without fences'. Expect to see things you'd never normally come across in the wild. Like meeting the local sea lions on the beach at Seal Bay. At Kingscote and Penneshaw, there's another wildlife encounter when the delightful Little penguins head home at dusk. Or see the playful fur seals at Cape du Couedic in Flinders Chase National Park.

Kangaroo Island is a standout location for scenery alone. Walk amongst amazing rock formations, like the huge weather sculpted granite boulders, the Remarkable Rocks and the equally impressive Admirals Arch. Sandboard down the massive sand dunes at Little Sahara or venture down into the underground world of Kelly Hill Caves. And with over 480 kilometres of coastline, there's plenty of spots for swimming, surfing, diving and fishing. Go for a surf at Pennington Bay or Stokes Bay – the island's sensational and uncrowded surf breaks are a well kept secret. Throw a line in off the jetty at Emu Bay, one of the most popular island beaches. The long curve of Vivonne Bay is considered one of the best beaches in Australia. Its sandy beach and wonderful turquoise waters are the pick for swimming, surfing and fishing.

Like so much of South Australia, Kangaroo Island has much to offer in the way of food and wine. Don't miss the fresh seafood – King George whiting, oysters and marron (freshwater crayfish) are a speciality. Taste locally produced wines, pure Ligurian honey and delicious hand made cheeses and yoghurt from the Island Pure Sheep Dairy.
