Follow up your city escape with an island getaway beyond Brisbane. Set out across the bay to Moreton Island. Hand feed wild dolphins and soak up the nature in a place that's almost entirely national park. Get your adventure fix as you toboggan down one of the world's largest sand dunes or dive the Tangalooma Wrecks.

Head to the beach at North Stradbroke Island. Have your moment in the sun at one of the most popular beach holiday spots for locals and visitors alike. Get the best of both worlds on 'Straddie'. On one side of the island, find white sandy beaches perfect for swimming, surfing and fishing. On the sheltered western edge is a calm retreat when it's time to relax. Head up to Point Lookout to spot whales from June to November.

Closer to Brisbane, take a drive out to seaside villages Scarborough and Redcliffe. Take a dip in the ocean, jump on a jet ski, go fishing or cruise the bay to see dolphins and dugongs. Then at the end of the day, make the perfect picnic of fish and chips by the water.

Brisbane is perfectly placed for both island and country escapes. If it's mountaintops and charming villages that call you, take a drive out to South East Queensland Country. Stunning countryside, charming towns, national parks and hinterland vineyards are there for the taking, just over an hour from Brisbane.
