

Airlie Beach Lagoon

Airlie Beach is your sunny coastal hub, packed with everything you need for a great holiday. It's the gateway to the 74 Whitsunday islands, which makes it a lively and colourful destination. While the atmosphere is relaxed, there's so much to do every day of the week. Pack your holiday gear and your sense of adventure – Airlie Beach is waiting for you!

Abel Point Marina and Shute Harbour are the starting points for many of the tours to the Whitsunday islands. Sail a yacht yourself and take your time, or join a cruise for the day. Cruise to Whitehaven Beach with its pristine white sand, then float on to Hill Inlet, where sand and water fuse to create a colourful and breathtaking view. Leave the water for a while, and take to the skies in a helicopter or seaplane.

Cool off at the Airlie Beach Lagoon, a man-made wonder surrounded by bay views and landscaped parkland. From the lagoon, take the Scenic Boardwalk, a 3.5 kilometre coastal stroll to Abel Point Marina. Saturdays see the foreshore transformed into an outdoor marketplace, while on Sunday nights, the same location is the venue for live music. Explore the new addition to Airlie Beach – the Port of Airlie precinct. With a marina, shops, restaurants, boardwalk, parkland and the sandy Boathaven Beach, it's sure to be hit with young and old.

You won't go hungry in Airlie Beach. Fresh and fun Fish D'vine and Rum Bar serves up fresh seafood and more types of rum than you can imagine, Coral Sea Resort's popular Clipper Restaurant is the ultimate in poolside dining with ocean views, or choose from an array of cafés and restaurants along Airlie's eat street, the Esplanade.

Beyond Airlie, there are national parks that provide a rich canvas for exploring nature. The Conway Range area showcases lowland rainforest, creeks and high peaks, walk part or all of the Whitsunday Great Walk to discover it. Visit the spectacular waterfall and swimming hole at Cedar Creek Falls, or join a crocodile safari up the Proserpine River, where 200 estuary crocodiles reside.
