

Whitsunday Cruising and Sailing

If you thought sailing through the Whitsunday Islands was a mere pipe dream, think again. Imagine stopping near a deserted beach for a sunset stroll, or dropping anchor for a spot of snorkelling or fishing away from the crowds.

Choose from luxury motor cruisers, performance yachts with speed and power or yachts that offer relaxed sailing. With a vessel and style to suit you and 74 islands to sail amongst, you're spoilt for choice in the safe, warm waters of the Whitsundays.

Skipper Yourself – What you need to know

EXPERIENCE

You will need some experience at the helm of a yacht, big or small. Some vessels require a higher level of experience. Prior to arrival, you will be asked about your boating experience. All operators provide a comprehensive hands-on briefing before you set sail. If you require some guidance, you may be required to hire a sail guide who will show you the ropes and get you on your way. Daily radio contact with your charter company will ensure you're always safe with professional advice close at hand.

FULLY EQUIPPED BOATS

Don't let the term 'bareboat' mislead you. All charter vessels are equipped with everything you need to make your holiday carefree and enjoyable. Galley gear, barbecue on deck, toilet and shower, fishing and snorkelling equipment, dinghy with outboard motor as well as navigation and safety equipment are included in most charter costs. The majority of bareboat holidays will include a 'basic essentials' kit. These packs may contain items like sponges, matches, detergent, paper towels, insect repellent, garbage bags, toilet paper and guest soap.

OPTIONAL EXTRAS

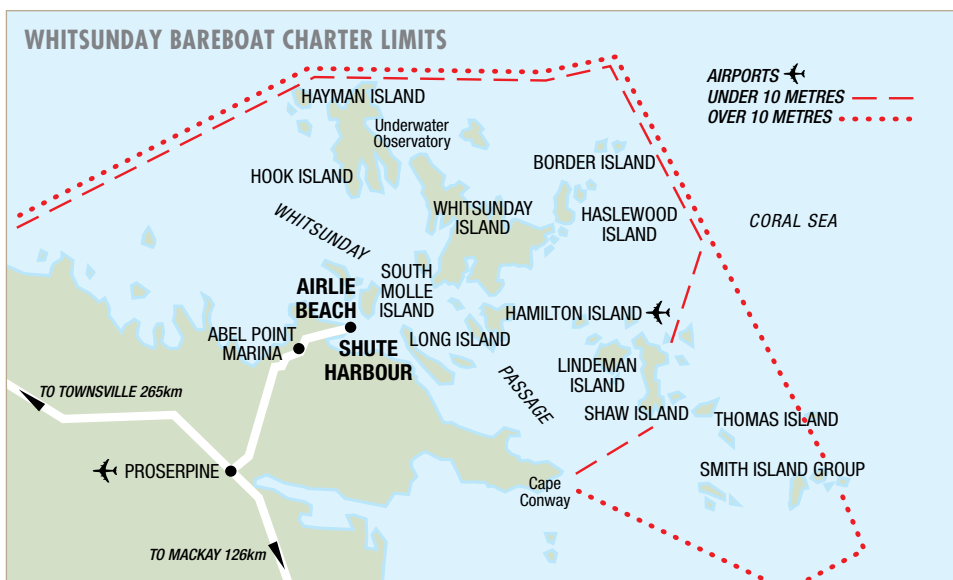

Sailboards and scuba diving equipment are available to hire at an extra charge. Skippers and cooks can also be hired. A variety of fresh food provisioning packs can be arranged in advance and stowed before you set sail.

IMPORTANT BOOKING CONDITIONS

You will be required to sign a Charter Agreement prior to paying your deposit. It is important that you understand the terms and conditions of charter, as cancellation fees will apply once your deposit has been paid.

A minimum security deposit of \$550 per vessel is required within 7 days of confirmation of your booking. Full payment of your holiday cost must be made no later than 60 days prior to travel.

All companies require a damage waiver to be paid direct to the operator on commencement of the charter along with a signed credit card authority. They also reserve the right (without showing cause) to apply a bond of up to \$2500.

Your Style

Crewed Cruising and Sailing

Have the opportunity to become involved in the sailing experience or sit back and relax and let it all be done for you. Competent crew will show you the best of the Whitsundays and prepare wonderful fresh meals to ensure you come away with memories of a lifetime.

Learn to Sail

For a unique holiday experience, Learn to Sail holidays are fun and are designed for those with no sailing experience or sailors wishing to improve their techniques. Learn new skills while cruising through one of the world's most desirable sailing locations, the Whitsundays.

Skipper Yourself

Become skipper of your own 'bareboat', and take control of your holiday drifting about the Whitsundays in style. Whether there's a group or just the two of you, there is a yacht, catamaran or motor cruiser designed to suit you.

DescaradA Charters

Some 74 secret pieces of paradise are waiting for you in the Whitsundays and you can now discover them in style. DescaradA Charters offer you a tempting island escape within the wonders of one of the most famous boating destinations in the world.

Whitsunday Rent A Yacht

For a holiday that offers both relaxation and adventure, there are few better places in the world than the Whitsundays – one of the world's best sailing destinations. Charter your own yacht, catamaran or motor cruiser to explore the tropical paradise of the 74 Whitsunday Islands.

Within an hour of leaving the private jetty at Shute Harbour, you can be moored at a luxury island resort or in a secluded bay. Keep the kids entertained with a range of activities including swimming, snorkelling or fishing. Or why not try a national park rainforest walk on one of the islands? Tongue Point lookout offers breathtaking views of Whitehaven Beach and Hill Inlet. Whatever your choice, a charter holiday in the Whitsundays provides access to it all.

Take your pick from Whitsunday Rent A Yacht's fleet of vessels ranging in size from nine to 15 metres. Vessels accommodate between two and 11 passengers and are fitted out with the latest equipment for safety, comfort and convenience. No boat licence is required – only minimal boating experience. You'll receive an introductory DVD ahead of time, as well as a comprehensive briefing session on the first day of your charter. Cruise guides can be provided for extra tuition or you may like a skipper for the duration of your charter.
