

Great Ocean Road

Twelve Apostles

It's one of Australia's great touring routes. A journey along the Great Ocean Road winds its way through laidback coastal towns and maritime villages, past beautiful beaches, national parks and iconic attractions carved by nature. Most famous of all are the striking limestone rock stacks known as the Twelve Apostles.

The Great Ocean Road hugs the coast so you'll find no end of surf, sand and watersports at towns like Lorne and Apollo Bay. Surf capital Torquay has a great beach culture and beaches that suit both surfers and families. See the pros take the waves at notorious Bells Beach. The Rip Curl Pro surfing championship is the highlight of the surfing calendar.

Among the sun and surf, learn a little about the region's rich maritime past. The history of the Shipwreck Coast is on show at Warrnambool's re-created 19th century port, Flagstaff Hill Maritime Village.

See nature and wildlife at its finest in the Otway National Park. Here you can walk below giant tree ferns, or above on the Otway Fly Treetop Walk, see thundering waterfalls and the spectacle of glow worms. Complete a section of the 91 kilometre Great Ocean Walk through national parks and along deserted beaches. In Warrnambool see baby whales at play from June to September.

Mix it up with a day of golfing or explore the Geelong and Henty wine regions at either end of the coast. With coastal life comes fantastic seafood and it's always on the menu at local cafés and restaurants.
