

# Palm Cove and Cairns Beaches

Palm Cove

With a reputation for its spa spots, dining and beaches to rival the best in the world, Palm Cove is a place where the stresses of life seem to disappear. It's hard not to unwind in a place that looks like it's been lifted from a postcard.

There's something about Palm Cove that brings out the romance in people. The village is only 25 minutes north of Cairns or 35 south of Port Douglas. Take your time over a romantic dinner at some of the best restaurants in Tropical North Queensland or connect over some relaxing treatments for mind, body and soul at the many world-class wellness spas.

A little closer to Cairns, Trinity Beach is another little slice of paradise sheltered between two headlands. The calm waters are perfect for non-motorised water sports like sea kayaking, skimmer boarding, boogie boarding, and you can set up a picnic just about anywhere. You'll find plenty of cafés and restaurants to choose from if you'd prefer someone else to do the cooking.

If too many perfect beaches are never enough, keep the search going and let it take you to Ellis Beach for a night in an oceanfront bungalow. Then on to Kewarra where you can set sail on the Great Barrier Reef or further to Holloways Beach to check into beautiful hideaway hotels so close to the water you can smell the salt.

All of this is just a short trip from Cairns or Port Douglas.
